GOA

November 14th & 15th

Our third Global Conference will take up where we left off in stunning Dubai. With India surpassing all growth forecasts for the last decade and becoming a global powerhouse, what implications might this have for our industry across the country and Asia?

Our programme will focus on the economic and cultural challenges facing companies and people moving into India and how this impacts on the mobility supply chain. We will focus particularly on immigration challenges, legal and compliance issues and of course, the impact of GDPR and Privacy Shield on companies and providers.

When the work is done, we have built three great networking opportunities into the programme; our Gala Dinner, networking lunch and Party Night, all held in the stunning beachside Taj Fort Aguada Resort & Spa.

Rooms in the 5* Taj Fort Aguada Resort & Spa cost from 12,000INR (€149). A booking link will be on the website shortly.

Join us in Incredible India, to share, meet, learn & network. If you are interested, our sponsorship opportunities are set out below.
