## Ben Sookia

I specialise in the coordination and project management of global immigration services for businesses. This involves advising clients on securing work permits and visas often with the support of an extensive network of partners in the global mobility industry.

## Nouran Zarroug

Nouran Zarroug is a Freelance Consultant within the Talent Mobility Sector; working across the client/vendor eco-system supporting organisations with best practice on GM policy and strategy. She has previously worked with multi-national companies championing Talent Mobility as well as Worldwide ERC.

Nouran possesses a huge passion for people and places which drives her perspective through both her work and personal life. Being a Third Culture Kid and an expat

for most of her childhood, she has developed a strong appreciation for diverse cultures. Although British by citizenship, her parents are Sudanese and she has spent many of her formative years living throughout the Middle East and Europe, including, Saudi Arabia, The Sultanate of Oman, Sweden and the UK; so, continues to be fascinated by East/West nuances.

Creating meaningful change around awareness, knowledge and the perception of Diversity, Equity and Inclusion, specifically in the work environment remains her key passion.
