EuRA Global 2018

# GOA

WELCOME!

We are so excited to welcome you to our first conference in India, in the stunning state of Goa!

With India surpassing all growth forecasts for the last decade and becoming a global powerhouse, what implications might this have for our industry across the sub-continent and Asia?

For those of you attending the MIM+ training, our Strategic Consultant Gordon Kerr will keep you on the right side of the law!

Our conference programme this year is focussing on the economic and cultural challenges facing companies and people moving into India and how this impacts on the mobility supply chain. We will look at immigration challenges, legal and compliance issues and of course, the impact of GDPR and Privacy Shield on companies and providers.

We hope you'll enjoy our Gala Dinner on Wednesday in the wonderful Taj Fort Aguada Resort & Spa Ballroom and our Celebration Night on the Beach on Thursday.
